I have asked our public relations manager to draft a summary that is more detailed than the slide from our visit. I should have something over to you early next week.

Hi DaMonica,

I just recalled that following our meeting last week we did agree C6 would send EPA a summary of the public outreach - I would appreciate receiving that.

Thanks, Michele

Hi DaMonica,

The attachments did not make it through. Same with the articles you sent separately.

Hi Michele. I have attached an updated copy of our permit redline with the newly added language/incorporated changes highlighted in yellow. These changes were made by our subsurface team following the technical review teleconference that we had with you and George on June 2nd. Please let me know if you require additional information.
